Courts are required to send details of orders made which disqualify a person taking part in the management of a company. Details of each disqualification order are available for inspection by the public at Companies House in London, Cardiff and Edinburgh, and at the Royal Courts of Justice in London.

* Section 6 of the Company Directors Disqualification Act 1986 was amended to incorporate Disqualification Undertakings following the Insolvency Act 2000. Disqualification Undertakings came into force from 1 April 2001. It allows the Secretary of State to accept disqualification undertakings from an individual without the need for the matter to be dealt with through the courts.
